Good building lot in the Mountain community of Cliff Ridge. This lot should have good mountain views with the clearing of some trees. Cliff Ridge is a quaint and peaceful development with perfect elevation to feel like you are a different world surrounded by unspoiled and protected forests, and just a stone throw from many hiking trails and breathtaking vistas. The neighborhood offers a clubhouse, a pool, tennis and a lake for fishing and canoeing. Its a great place to experience all the healthy activities the mountains have to offer, or to make family memories to keep for the rest of your life.
